

Alert for Parents of 7th Grade Students for School Year 2016-2017

California state law requires all students entering 7th grade provide proof of a Tdap (Tetanus, Diphtheria, Pertussis) booster immunization by **August 17, 2016**, the **FIRST DAY of 2016-17** school year. There is no grace period.

Many children have already had this booster shot done at their pediatrician/health care provider's office during an office visit. Please contact your health care provider to check if your child still needs the booster shot.

The Butte County Public Health Department, Chico Clinic, 695 Oleander Ave, 530-879-3665 also provides booster shots on an appointment basis

If you have questions about this requirement call the School Nurse at Durham Unified School District Health Office
